Martin:

I understand that Nathan and Richard have talked, and that they are working to set up a face to face meeting with the various lawyers. One thing that they have discussed is Sunnyside making a FOIA request upon EPA, contemporaneously with EPA's 104(e) request to Sunnyside. Makes sense to me. I just want to be sure that this isn't a surprise to you and does not give you any heartburn.

Have a good weekend.

Regards.

Greg
